**CALIFORNIA PROPOSITION 65**  
**COMPLIANCE STATEMENT**

California Proposition 65 (also known as the Safe Drinking Water and Toxic Enforcement Act of 1986) refers to the California legislation that was intended by its authors to protect California citizens and the State's drinking water sources from chemicals known to cause cancer, birth defects or other reproductive harm, and to inform citizens about exposures to such chemicals.

The Proposition 65 chemical list can be found at:  
<https://oehha.ca.gov/proposition-65/proposition-65-list>

Our products as provided in their finished form and in accordance with its intended use should not present a health and safety hazard and do not require a California Proposition 65 warning label. This statement is based on Specialty Screw Corporation's current level of knowledge of our business operations, chemicals used & information from our supplier partners.
